

**ERRATA TO  
CONFORMAL AND POTENTIAL ANALYSIS IN  
HELE-SHAW CELLS,  
ISBN 3-7643-7703-8, BIRKHÄUSER VERLAG, 2006**

B. GUSTAFSSON, A. VASILÉV

The following mistake, on p. 95, has been discovered.

- Theorem 4.3.11 is not correct. (There is a computational error in the proof, p. 94.) In fact, starlikeness is in general not preserved for contracting bubbles. Similarly, Theorem 4.3.13 is not correct.
- As consequences of the above, Remark 4.3.12 does not apply, as well as the corresponding items in the table on the same page.

The authors are grateful to Pavel Etingof for pointing out this error.
