In principle, I follow the tradition that authors are ordered according to their contributions. Only selected works are made available on the arXiv preprint server.

**Journal papers**

Preprints of submitted works available on arXiv

Published and accepted papers in refereed journals

Book chapters

Conference, symposium, and workshop publications

Published and accepted refereed conference, workshop, or symposium papers

Conference on Communications ICC ’15, June 2015.

[C54] R. F. Wyrembelski, T. J. Oechtering, H. Boche, and M. Skoglund “Robust Transmit Strategies for Multiantenna Bidirectional Broadcast Channels,” in Proc. 16th ITG Workshop on Smart

[C39] T. J. Oechtering, and V. Rathi, “Coding of Streaming Sources for the Bidirectional Broadcast Channel,” in Proc. 5th International ICST Conference on Communications and Networking, Chinacom ’10, Aug 2010, invited. (Best Paper Award)

Theses

Patent and patent application
